Welcoming Community Living Ontario!

We are excited to announce that we have entered into an agreement with Community Living Ontario (CLO) to become their preferred employee benefits provider! Those of you in the community living sector in Ontario may have seen us at your annual AGMs and conferences as your title sponsor over the past few years. We're very excited to move our relationship further with Community Living Ontario.

Here's an excerpt from a letter CLO's CEO Chris Beesley has sent to all CLO members:

*"Community Living Ontario welcomes the **Community Services Benefits Trust (CSBT)***

as our newest Strategic Partner, an organization that is offering our membership exclusive access to their group insurance plans through our recently introduced Affinity Program. CSBT understands your agency's specific challenges and can help transform your group benefits into an easy-to-manage and cost-contained solution."

Wishing you a safe and happy holiday season and all the best for 2019!

Jeremy Brown

Director, Associations
Community Services Benefits Trust

On behalf of,

Janet Andrews

Vice President, Associations
Community Services Benefits Trust
